

Spring 2021 Apprenticeship Program (SAP)

BUILD YOUR FUTURE AT SPC

Commercial Print & Fulfillment Divisions

Niles, IL based SPC, one of the largest marketing services organizations in the U.S, is launching an apprenticeship program for skilled positions within its commercial print & fulfillment divisions. Beginning in April of 2021, the 8-week program will expose participants to a variety of critical roles within the production process. Through hands-on learning & skill execution, both SPC and each participant will have an opportunity to assess & confirm opportunities for full-time employment.

SAP Participants will be exposed to three core areas of production:

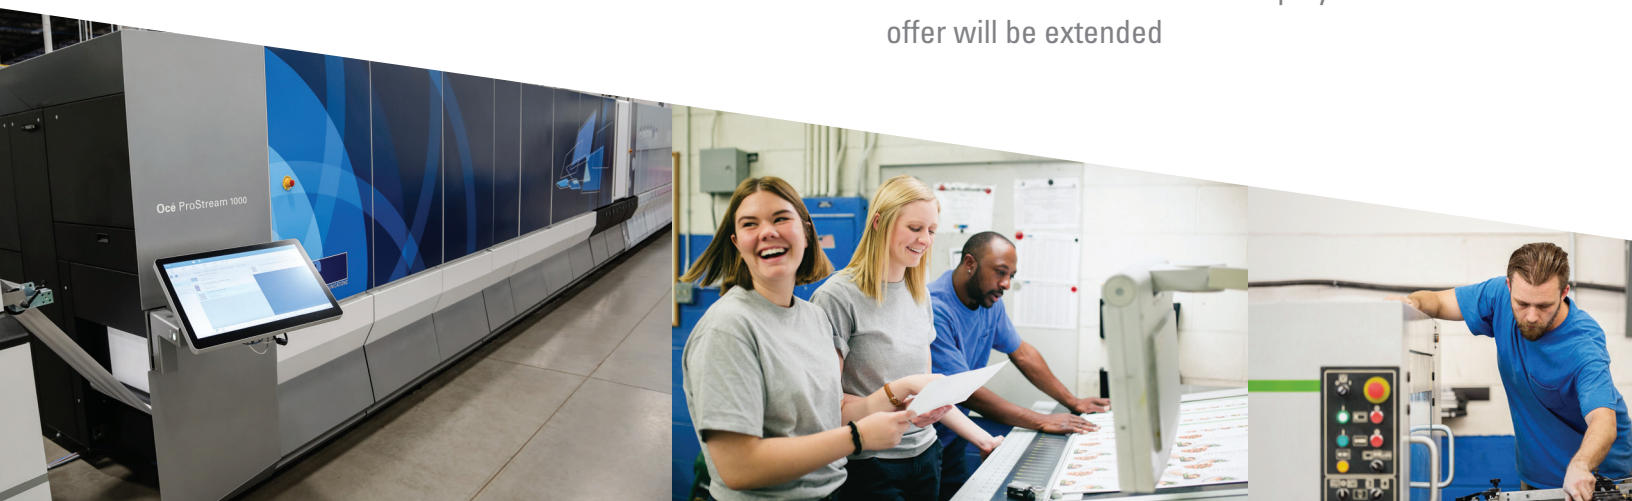

- The Print Center, where large print presses create high volume print communications centered in the world of direct mail
- The Mail and Fulfillment Center, where print communications are completed in manufacturing and fulfilled
- The Digital Print Center, where cutting-edge print technology is being implemented for direct mail

Qualifications

- High school diploma or equivalent
- Ability to read, write and speak English
- Ability to perform basic math calculations
- Basic computer skills
- Good communication skills
- Comfortable with light manual labor

SAP Participants will be required to commit to an 8-week program

- Monday-Friday
- 8:30am-4:30pm (mid-morning, lunch & mid-afternoon breaks will be scheduled)
- Participants will be compensated at \$15/hr
- At program conclusion, participants will be notified if a full-time employment offer will be extended

SPC is currently accepting applications for the April 2021 Program. Interested individuals can apply at specialtyprintcomm.com/SAP
